ABOUT

Mark Alexander Design Artistry

Introducing our latest creation

Sumptuous decadence for the wine connoisseur

An artful design by Mark Alexander combining our client's appreciation of fine wines, sound and entertainment in a breathtaking room.

This retreat was designed as the ultimate escape to luxury, decadence and comfort.

Complete with shelving in solid Oak, Italian leather accents, feature lighting and majestic handcut parquetry, this room exudes stunning ambience from floor to ceiling.

Created by Mark Alexander's artisan craftsmen, combining premium materials with enduring style.

Mark has provided dedication to every detail and taken this space from dream to reality.

"The building could fall down, I wouldn't know and it doesn't matter"

- Our client immersed in the lavish surroundings of his new room.
