

## Bookcases & Libraries

Custom Designed, Individually Made, Expertly Crafted

Mark Alexander is proud of creating gorgeous statement bookcases in a range of custom dimensions, finishes and colours, that are not only beautiful but superbly practical. Individually planned and manufactured to suit your room and made to the highest quality for an uncompromising, superior result.

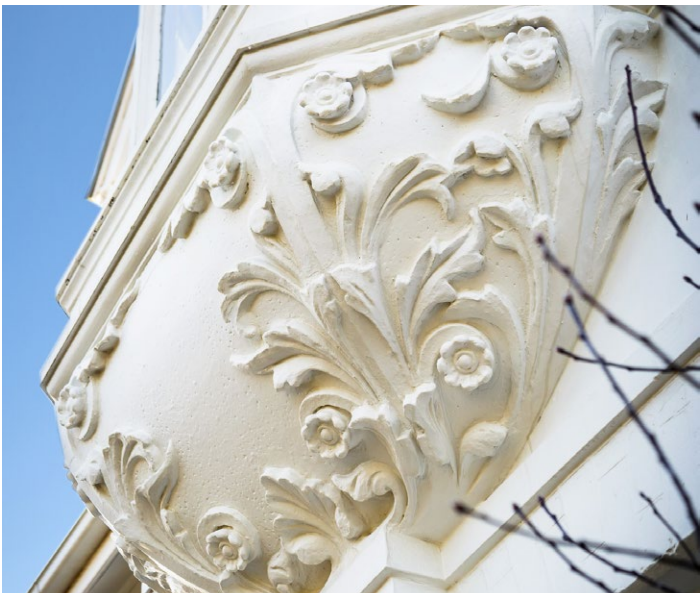

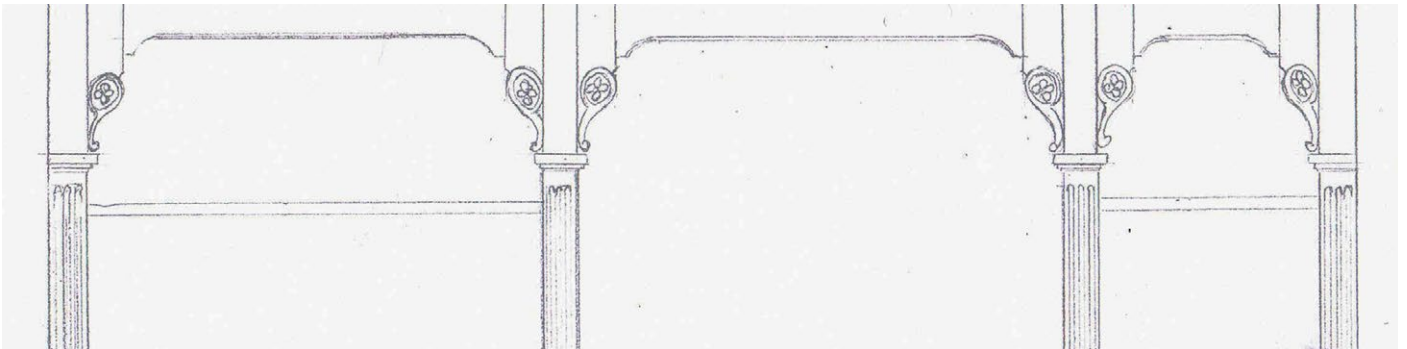

# Ultimate Storage With Timeless Elegance

Mark is passionate in producing and designing bookcases that look like they belong within your room, as if they've been there for many years. Every bookcase is carefully planned and crafted, using only the best materials, finishes and services available to ensure perfection every time.

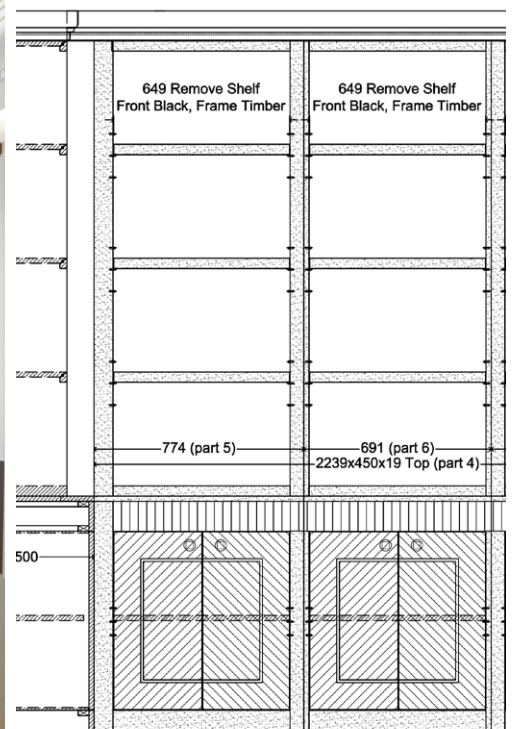

# A Secret Library Made From Dreams

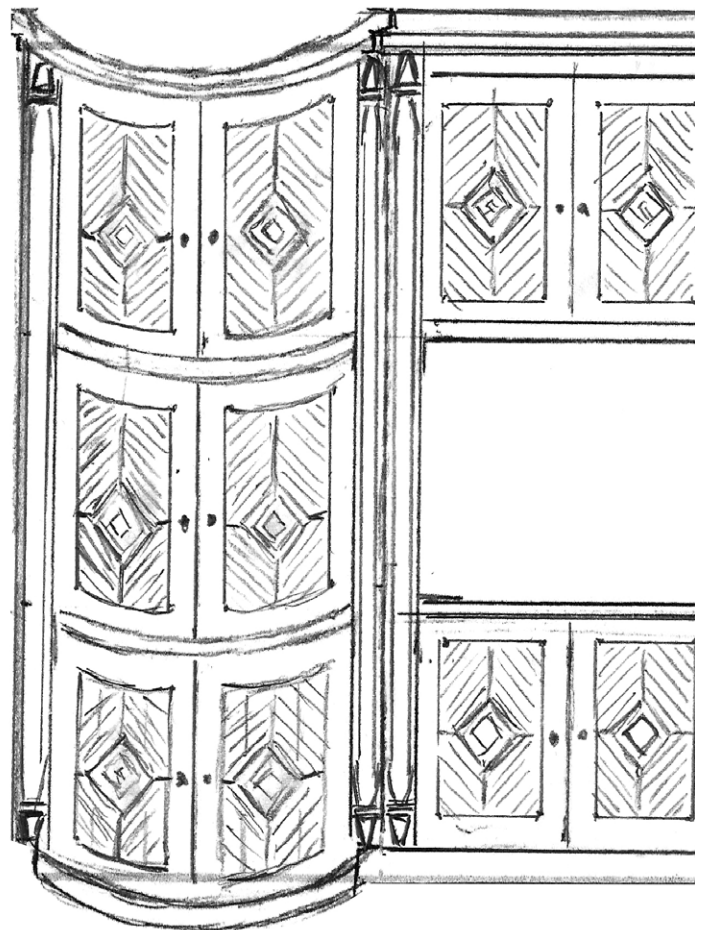

A complete library over two walls, expertly finished as shown in fine book-matched Ebony Macassar timber veneer with black highlights and details. Features a secret push-back door revealing a hidden staircase.

Delivering beautiful stand alone bookcases or fully encapsulated libraries and office spaces, we can do it all at Mark Alexander Design Artistry.

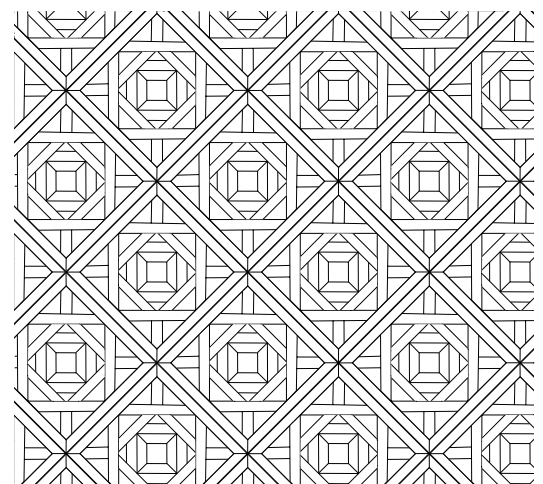

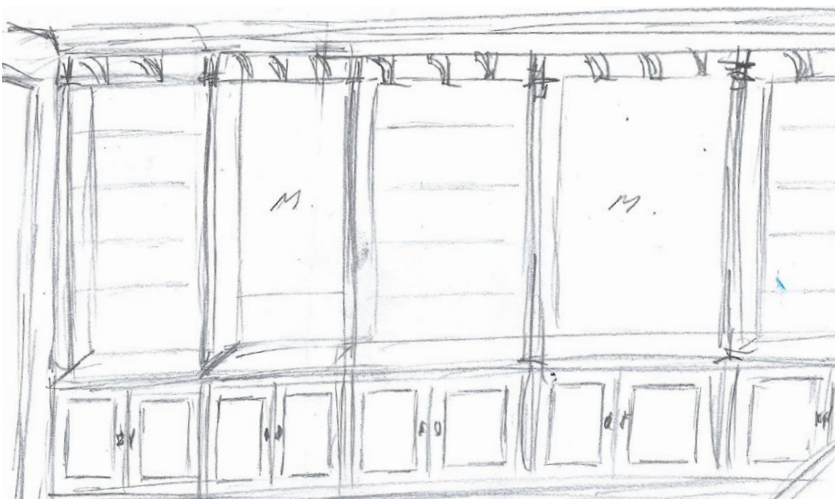

# Custom Designed Bookcases & Libraries

Incorporating features and characteristics from client's homes that are artistically sketched by Mark Alexander into unique furniture designs.

Discuss your personal requirements with us and we can plan and develop a custom made bookcase, display unit or unique shelving that encapsulates your home and style while providing you with timeless elegance for generations to come.
