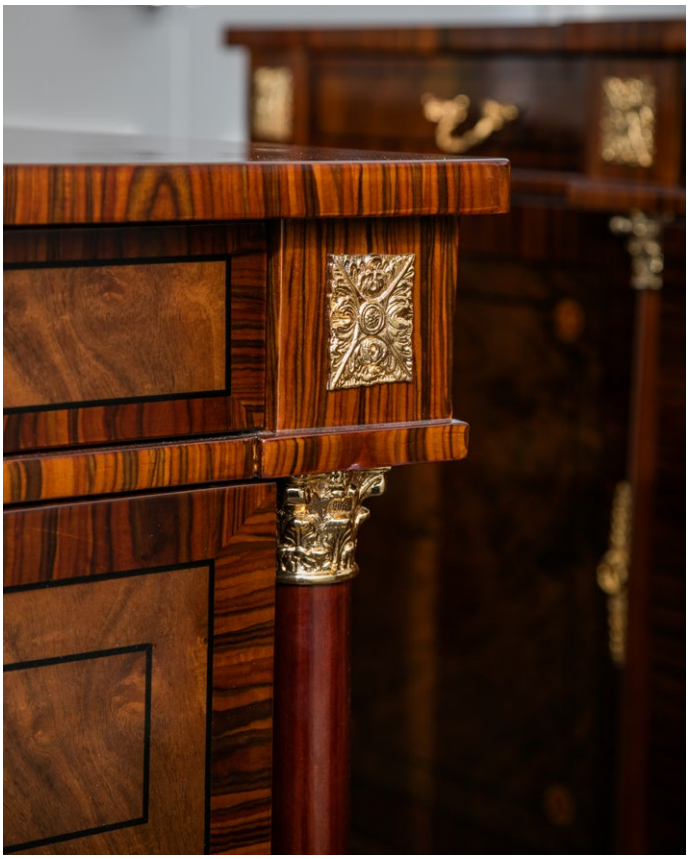
# Corporate Designs

Warm and inviting corporate office designs, thoughtfully planned for executives and their clientele. With statement bespoke furniture designs, stunning desks, office chairs and executive boardroom tables, anything can be crafted for a complete and refined space.

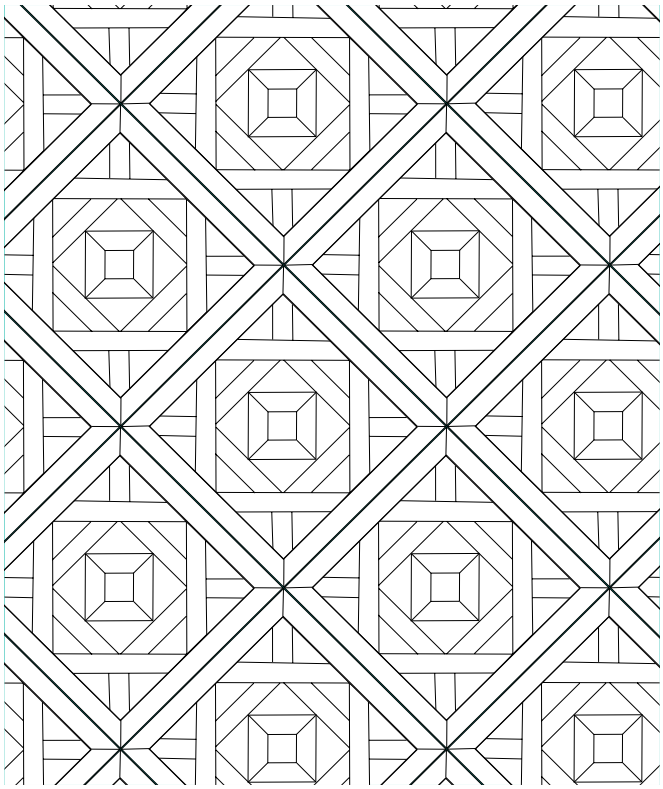
# Exceptional Quality Furniture

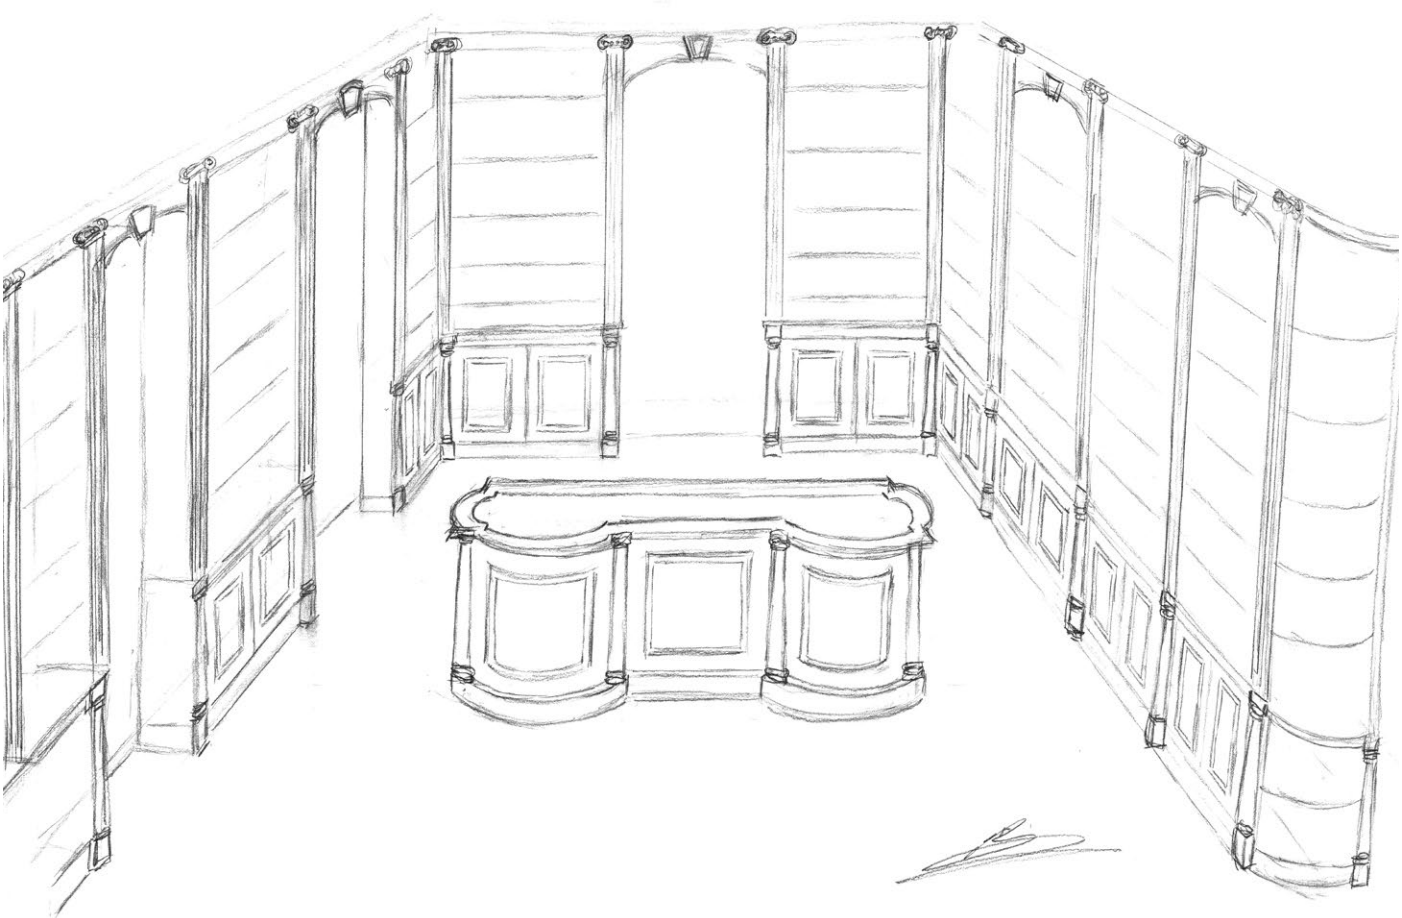
Every furniture piece by Mark Alexander Design is deeply personalized and meticulously planned. Each desk, chair and office piece is carefully considered, finely crafted and superbly manufactured by the most skilled artisans. Every project is personally overseen by Mark, our in house designer and directer to ensure his high standards are met.



# Home Office & Library

Luxurious home office and library designs that are deeply personal and meticulously planned. With hand crafted desks and co-ordinating room items available from classic to contemporary styles. Anything can be produced to suit the home and client.





# We Even Produce Faux Books

Whether you need to fill part or all of your office bookcase we can produce a full set of customized faux leather bound books. Completed with the full depth of your bookcase and finished with gold embossing for a magnificent and realistic look.

Every office, library and interior by Mark Alexander Design Artistry is an original and thoughtfully considered work of art, that is inspired but not bound by the latest trends. Featuring beautiful and unique custom-made furniture of the highest quality. Mark creates inspiring and captivating rooms in a range of classic and contemporary styles to suit any client's dreams and visions.
