

Bold Formal Living

An inviting formal living with drama and refinement in a contemporary Art Deco Style. This Melbourne residence in a prestigious locale showcases bold, sweeping shapes with an interestingly tailored palette true to the Art Deco Style, yet with modern influence.

Unique Colour Palette

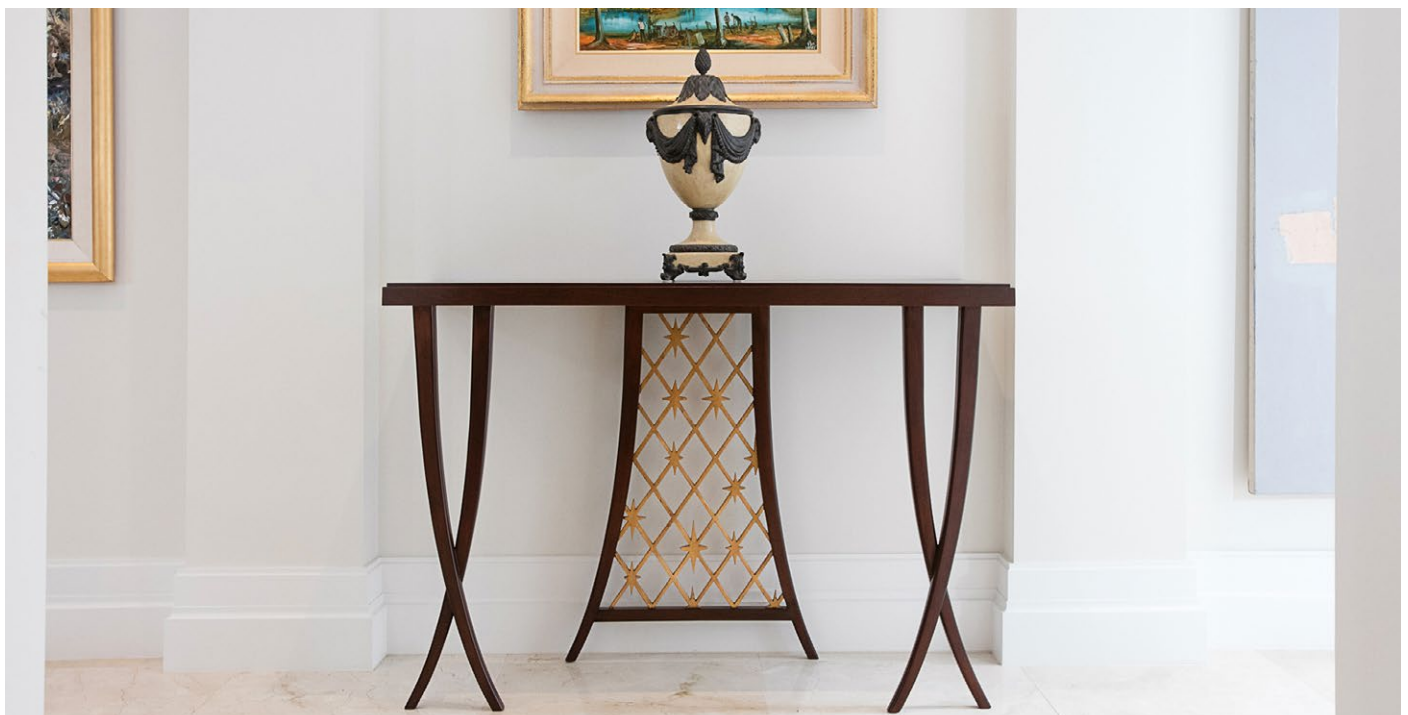

This lovely interior scheme draws inspiration from the client's own artwork. The colours have been introduced and developed through gorgeous and luxuriously plush European velvets. Each custom made furniture piece has been perfectly designed and upholstered to reflect and enhance the artwork within the space.

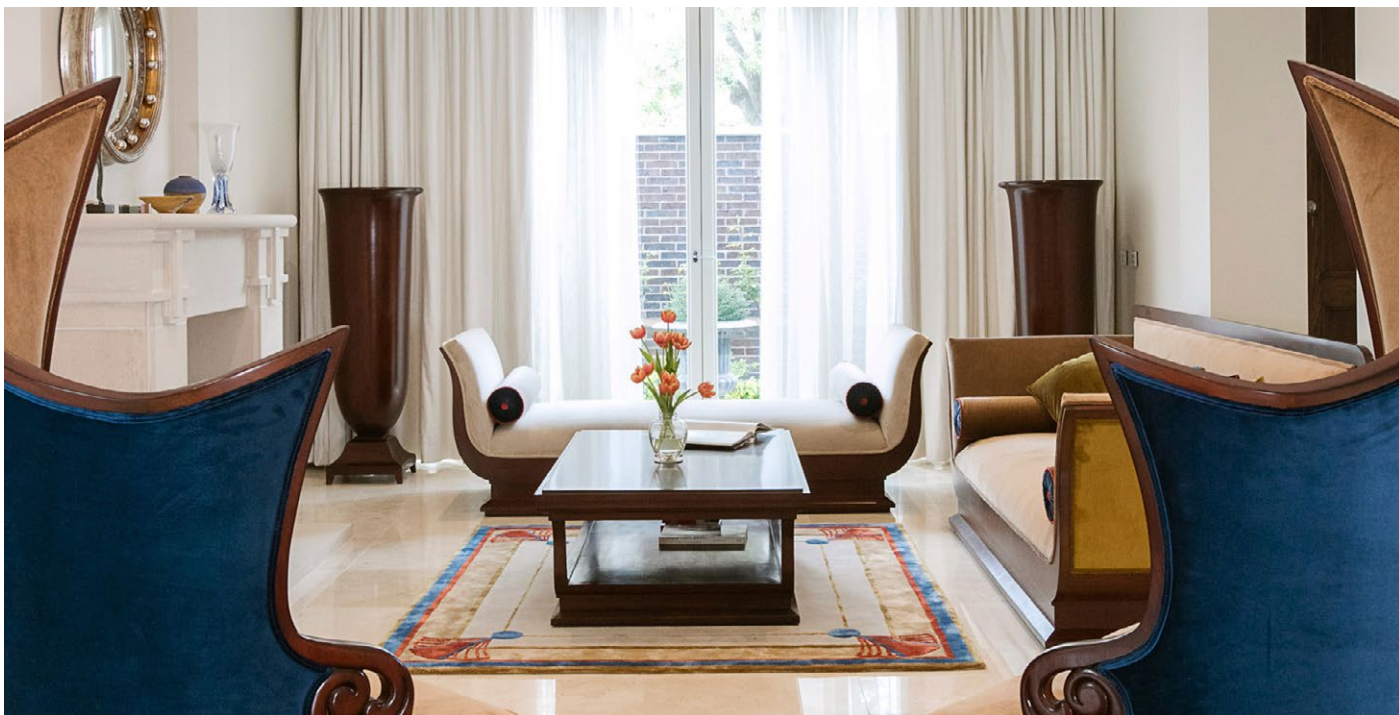

Art Deco Interior

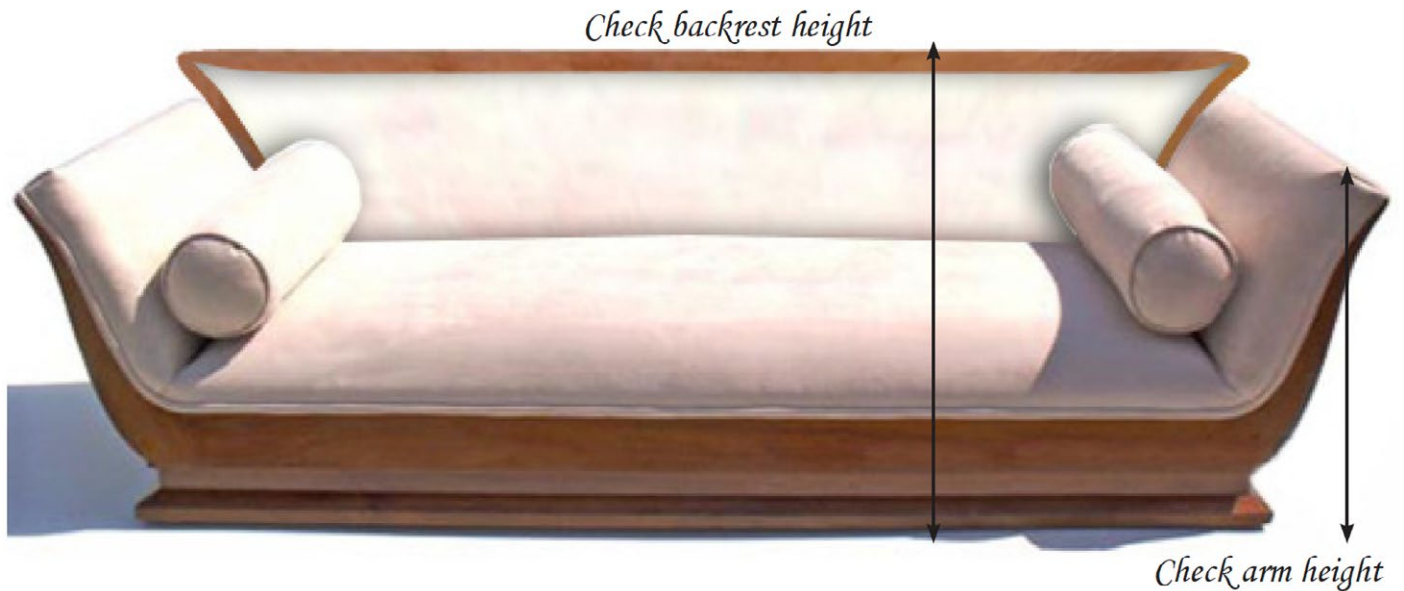

All the furniture and soft furnishings, including the custom designed floor rugs and drapery have been exclusively sketched and planned by Mark Alexander to achieve a truly sumptuous and exceptional Art Deco interior.

Bespoke Furniture Designs

With stunning high back occasional chairs, gorgeous sofas and a beautiful coordinating rug to complete the look. Each piece is meticulously sketched, planned and considered to balance and work in unison within the living room space, resulting in pure luxurious comfort.

Every exquisite living room design by Mark Alexander Design Artistry is an original, multi-layered work of art, that is often inspired by the beautiful existing architectural features and characteristics of our clients homes. This leads us to create inspiring and captivating rooms that showcase sweeping shapes and interesting colour palettes. Taking influence from Classic, Contemporary and Art Deco styles.
