

Interior Finishes

Interior design is a personal statement and reflection of the self, that requires finding the right inspiration, character, ambiance and mood while also meeting functional and environmental factors. It is a delicate art requiring attention to detail, a discerning eye and creative passion.

Add an special and unique piece to your home with a beautifully custom designed and made console piece. Mark Alexander Design can assist you with the complete fit out of your home or one special piece for the entryway, dining room, lounge room or any space in the home.

Luxury Fabrics & Details

To bring your unique vision to life, we'll guide you through our meticulous design process and take the time to listen and understand your exact needs, specifications and preferences including size, shape, style, colours and materials, as well as the mood, theme, character and functionality.

Unique Art Designs

Exclusive hand-painted artworks available from Mark Alexander Design. Fully custom made to suit any room or space and finished to an exquisite standard. Each painting provided by us is a thoughtfully considered piece that compliments and enhances our luxury interior design schemes and custom made furniture designs.
