

Creating The Magic

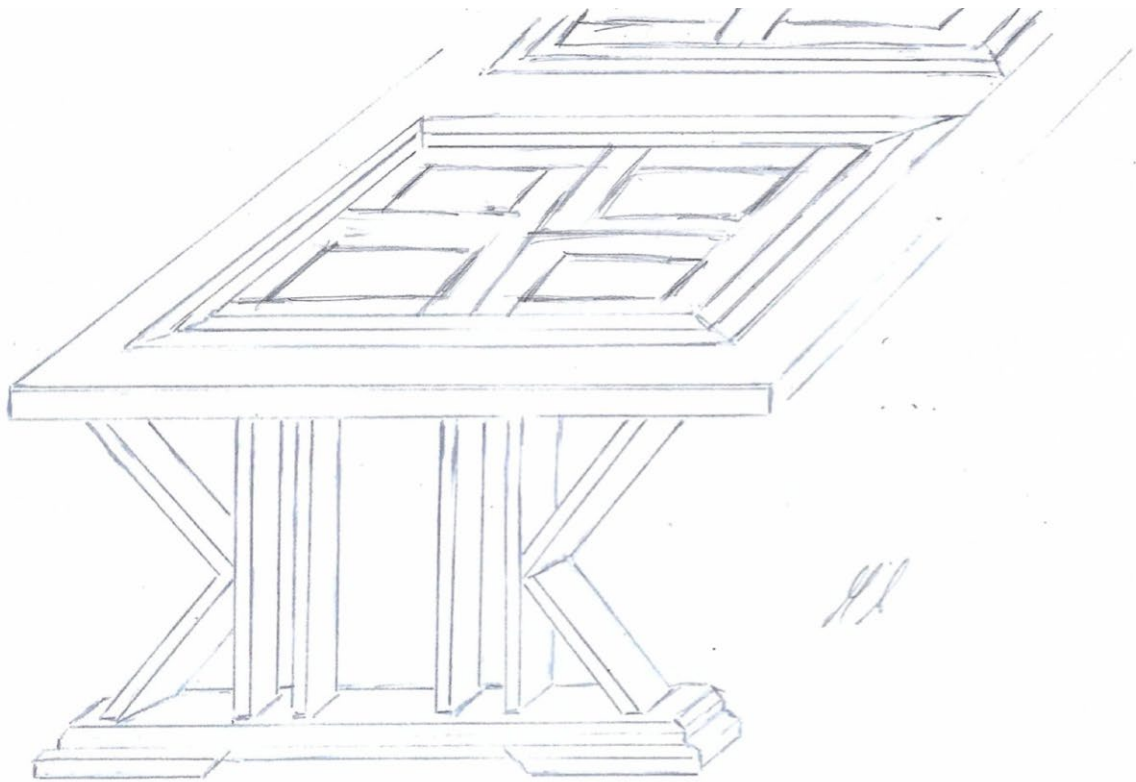

MA inspired by Walt Disney - Hand Sketching Techniques

In the words of Walt Disney
“They can copy but they can’t produce the Magic”

For Growing Together

Bespoke Custom Made Furniture and Luxury Interiors.
“Making furniture for just you and making furniture for our interior designs.”

Mark Alexander Design provides stunning custom designed and made furniture pieces which are a refreshing and luxurious alternatives to what you see on the typical showroom floor. Each of our Australian Designed and Australian Made furniture pieces are meticulously sketched, planned and produced for you by expert traditional Craftsman.
