MA Table Art

Bringing Together Home & Client's Personality

Mark Alexander works with a range of different styles from Classic, Contemporary and even the Modern Hamptons look. The Hamptons style has been popular for many years now, taking inspiration from this style Mark is able to adapt key aspect to suit his client's and their unique homes. Capturing the more refined Modern Hamptons look and bringing this into his own luxury interiors and bespoke furniture designs.

Australian Designed, Australian Made

Mark is proud to support local Australian manufacturing, each of our parquetry dining tables is hand crafted in Australia for a superior final result by the most skilled artisans. Every table is personally sketched, planned and produced by Mark, direct from the manufacturer to you.

Unique Furniture Art

Our furniture designs are truly their own works of art, each meticulously planned and produce with the client and their personal requirements in mind. This results in truly breathtaking designs that look and feel as though they are a part of the home, as if they grew in place. True works of furniture art.
